

**Winners of  
Chestnut Hill Country Club's  
2020 Fall League**

In order to calculate the list of winners, we used everyone's Total Points. These are the points everyone earned, on a net basis, for their scores over the events played. It resulted in many ties for position. To break the ties, we then sorted by Total Pars. The more pars a person had the higher their ranking. If a tie remained after that, we then sorted by the Total birdies.

If your name is highlighted in the list, it means you were a winner. The list of winners is also printed below. Prizes may be picked up beginning on Thursday in person. Please call before coming out to make sure someone is present to give you the prize.

We want to thank everyone for playing in the Fall League this year. It was an overwhelming success, and we will host it again next year. I hope everyone had a great time in the competition and the winners enjoy their great prizes.

Finally, if anyone has any suggestions on how to improve the league for next year, please share them with me. We are always looking to improve.
